

G1 Bee Class Newsletter April 2025

Dear Parents,

Welcome back to our Bear class newsletter! We will continue to focus on building the kids' vocabulary this semester. The kids will continue to learn new words as they are introduced in the stories in their reading class. They will also be learning a lot of new words as they create their own writing in the composition class and presentation class.

Reading

During the reading periods, we will read 3 reading stories every 4 weeks. The kids will learn new vocabulary words and new grammar points by reading stories revolving around the same theme. In the months of April, the kids will be reading about inventors and inventions.

Story 1: The Story of a Robot Inventor

Story 2: Thomas Edison: Inventor

Story 3: Windshield, Wipers, Scissors

Presentation

As the kids learn about different inventors and their inventions. We will ask the kids to expand their knowledge by creating a presentation on their favorite invention or inventor.

Composition

As the kids become more familiar with writing, they will be honing their skills by taking what they have learned in the first semester and use the same knowledge to write about different topics.

Dear Parents,

歡迎回到我們 Bear 班的月刊！這學期我們將繼續著重於孩子們的字彙累積。孩子們會在閱讀課中隨著故事的推進學習新單字。他們也會在作文課和口說課中，透過創作與發表學習到更多新詞彙。

Reading

在閱讀課期間，每四週我們將閱讀三個故事。孩子們將透過閱讀圍繞相同主題的故事，學習新的詞彙和新的文法重點。在四月份，孩子們將閱讀關於發明家與發明的故事。

Story 1: The Story of a Robot Inventor

Story 2: Thomas Edison: Inventor

Story 3: Windshield, Wipers, Scissors

Presentation

經過一個學期的努力，孩子們現在應該能夠熟悉如何製作投影片簡報。我們的老師將持續指導孩子們，幫助他們創作與閱讀主題相關的簡報。四月份的簡報主題將是「發明」。

Composition

隨著孩子們對寫作越來越熟悉，他們將運用第一學期學到的知識，並將這些技能應用到不同的寫作主題上，進一步提升自己的寫作能力。

4/07 – 4/11: Story Writing – On a Hot Summer Day

4/14 – 4/18: Story Writing – On a Hot Summer Day

4/21 – 4/25: Story Writing – My Birthday Party

4/28 – 5/02: Story Writing – My Birthday Party

Grammar

在文法課上，孩子們將進行一些練習，不僅包含文法，還涵蓋自然發音、拼寫和閱讀理解。如果他們提早完成作業，還可以在電腦上進行一些互動遊戲，這將幫助他們以自然的方式學習文法。
