

Lion Class Newsletter June 2025

Hello Lion Class Parents,

This month will be the final push of K5 to complete the work in our books and practice past tense verbs in our grammar class. We will also be focusing on describing people in our writing books and completing our final math and grammar unit books.

I hope this month is productive and the students learn lots as they prepare for grade 1 at their elementary schools.

Reading

As we reach the end of K5, kids should be able to read most words in their reading books with little help. We have been spending less time in group reading and putting more emphasis on individual reading to encourage the kids to read on their own. Individual reading also helps us find those who need more practice so they could be assisted accordingly.

Week 1: Grumpy Monkey : The Egg Sitter

Week 2: Just My Best Friend

Week 3: Monster Truck

Week 4: PJ Funny Bunny

Phonics

Phonics is one of the more important classes/ subjects which helps kids with pronunciation, spelling and word recognition. With the spelling tests working in tandem, kids are able to use what they have learned in phonics and apply them to spelling words.

The May schedule is as follows:

Week 1: 175, 177, 178 (contractions)

Week 2: 181 - 184 (plurals)

Week 3: 185 - 187 (Inflection Endings)

Week 4: 189 - 192 (Inflection Endings)

MPM Math (Multiple Practice Module)

In our MPM book we will continue to do more work with correspondence and do some activities with addition and subtraction.

The June schedule is as follows:

Week 1: F4 P 13-18

Week 2: F5 P 01-06

Week 3: F5: P07 - 12

Week 4: F5: P12 - 18

Grammar - Space

In grammar we will get more practice using the past tense. Verb tenses are something that many language learners struggle with, and learning the past simple tense is one of the key steps in mastering tenses.

The June schedule is as follows:

Workbook	Homework
Week 1: P66 - 69	P33, 34
Week 2: P70 - 73	P35, 36
Week 3: P74 - 77	P37, 38
Week 4: P78 - 81	P39, 40

Spelling

The spelling is a great way for kids to feel good about doing something well. Kids in the Lion class love to be competitive and show others what they can achieve. The spelling tests aren't overly difficult but it is challenging enough to exercise children's thinking skills.

The June schedule is as follows:

Week 1: brick, thing, sink, dish, since, people, hard, huge, use, such, inside, dishwasher
Week 2: these, fresh, snack, block, drink, sink, clean, class, place, ice, plants, pencil, circle
Week 3: train, might, later, first, faster, after, where, there, mountain, ocean, place, horse
Week 4: bread, breakfast, wheat, shape, grape, taste, sale, vine, ripe, pile, sale, with

Writing

The writing class challenges the kids to take individual complete sentences and put them together to form a writing. The units are structured in a way for the kids to do exactly that: they start each unit by writing independent sentences relating to a main theme, which will be combined to form a writing at the end of each unit.

The June schedule is as follows:

Week 1: pg 70-71
Week 2: pg 72-73
Week 3: pg 74-75
Week 4: pg 76-77

Conclusion

We are in the final stretch of K5, the students are finishing up in several of their workbooks this month and will begin to take things home as we complete them in class.

I encourage you to go through their work as they do to go over the work they have done this year and see their progression over time.

Regards,
Teacher Mathew

Lion Class Newsletter June 2025

Hello Lion Class Parents,

這個月是我們大班最後的衝刺階段，學生們將完成課本中的學習內容，並在文法課上練習過去式動詞。我們也將專注於在寫作課中學習如何描述人物，同時完成數學和文法的最後一冊練習本。

我希望這個月對孩子們來說是充實且有收穫的，幫助他們為升上一年級做好準備。

Reading

隨著大班即將結束，學生應該已經能夠獨立閱讀大多數閱讀書中的單字。我們現在減少了團體閱讀的時間，並強調個別閱讀，以鼓勵孩子們自行閱讀。個別閱讀也能幫助我們找出需要更多練習的孩子，並提供適當協助。

Week 1: Grumpy Monkey : The Egg Sitter

Week 2: Just My Best Friend

Week 3: Monster Truck

Week 4: PJ Funny Bunny

Phonics

自然發音是幫助孩子學習正確發音、拼字與單字辨識的重要課程。透過拼字測驗的輔助，孩子們能夠將所學應用到拼寫練習中。

The May schedule is as follows:

Week 1: 175, 177, 178 (contractions)

Week 2: 181 - 184 (plurals)

Week 3: 185 - 187 (Inflection Endings)

Week 4: 189 - 192 (Inflection Endings)

MPM Math (Multiple Practice Module)

我們將繼續在MPM數學課中練習對應關係，並進行加法與減法的相關活動。

The June schedule is as follows:

Week 1: F4 P 13-18

Week 2: F5 P 01-06

Week 3: F5: P07 - 12

Week 4: F5: P12 - 18

Grammar - Space

在文法課中，我們將進一步練習使用過去式。動詞時態是許多語言學習者的難點，而學習過去簡單式是掌握所有時態的重要一步。

The June schedule is as follows:

Workbook	Homework
Week 1: P66 - 69	P33, 34
Week 2: P70 - 73	P35, 36
Week 3: P74 - 77	P37, 38
Week 4: P78 - 81	P39, 40

Spelling

拼字測驗是一種讓孩子有成就感的好方法。獅子班的孩子們很有競爭心，喜歡展現自己的能力。拼字測驗難度不高，但足以鍛鍊他們的思考能力。

The June schedule is as follows:

Week 1: brick, thing, sink, dish, since, people, hard, huge, use, such, inside, dishwasher
Week 2: these, fresh, snack, block, drink, sink, clean, class, place, ice, plants, pencil, circle
Week 3: train, might, later, first, faster, after, where, there, mountain, ocean, place, horse
Week 4: bread, breakfast, wheat, shape, grape, taste, sale, vine, ripe, pile, sale, with

Writing

寫作課的挑戰是讓孩子們將一個個完整句子串聯起來，完成一篇有主題的寫作。每一單元都設計成先讓學生寫出與主題相關的獨立句子，最後將這些句子整合成一篇文章。

The June schedule is as follows:

Week 1: pg 70-71
Week 2: pg 72-73
Week 3: pg 74-75
Week 4: pg 76-77

Conclusion

我們正處於大班的最後階段，學生們將在這個月完成多本練習本，完成的書會陸續帶回家。我鼓勵各位家長與孩子一起檢視這些作業，回顧過去一年的學習成果，看看他們的進步有多大。

Regards,
Teacher Mathew
