

K3 Deer Class Newsletter October 2026

Dear Parents,

How fast time flies, and how quickly the little ones grow up! It has been a fantastic 2 months thus far, with so much progress and achievements made already. It has been lovely to see how much the students have grown and developed since they first started school. Deer class is now much more comfortable with our daily classroom routines, and becoming more confident in their English ability.

Throughout the year, our classroom will be filled with engaging activities that help children develop their English communication skills, creativity, critical thinking, and social development through play-based learning. Each month, I will share a report with you outlining the themes, vocabulary, phonics, math, and other exciting activities we will be learning in class. I hope these updates help you stay connected with your child's learning journey and provide opportunities to support them at home. I am looking forward to working together with you to make this a happy, successful, and memorable year for every student in Deer Class.

Reading

Reading class is held each morning, with a new book allocated each week. The books begin easy, with lots of easy words and repetition, and gradually get more difficult towards the end of the semester. Each book will have some buzz words that the children will be learning and using in other classes. Reading is one of the best ways to learn a new language, and reading in spare time or at home is heavily encouraged. We will be reading as a group and individually one on one, to ensure each student has comprehension of the vocabulary and story.

Core material

The core material books are bright, colorful, and filled with engaging pictures that help capture and maintain students' interest. These visuals support understanding and make reading more enjoyable for young learners. The books include many fun and age-appropriate stories that use complete sentences and introduce basic grammar points. Through repeated exposure to these structures, students are able to develop their spoken English skills, improve sentence formation, and gain confidence in expressing themselves orally. The books will begin with letter recognition A through to Z for October, and we will begin reading stories through the month of September.

This encourages independence and helps foster a love of reading. If time allows, I will also read a selection of these books to the class and ask comprehension questions to support understanding, listening skills, and engagement with the stories.

If you have any comments, questions, or concerns regarding your child's well-being, progress, or learning, please don't hesitate to contact me through our weekly English communication book. Open communication between home and school is very important, and I am always happy to hear from you.

Thank you very much for your support and cooperation. I look forward to another fun and productive month of learning together.

親愛的家長您好：

時間過得真快，我們的小寶貝們也在不知不覺中一天天長大了！轉眼間，開學至今已經兩個月了，在這段時間裡，孩子們已經有了許多進步與成長。很開心能看到孩子們從剛開始上學時的模樣，到現在逐漸適應學校生活，在各方面都有明顯的發展。

Deer Class 的孩子們現在已經更加熟悉每天的課堂作息與活動流程，也越來越有自信使用英文與老師及同學互動。

在接下來的一年裡，我們的課堂將安排許多有趣且富有互動性的活動，透過遊戲與學習相結合的方式，幫助孩子培養英文溝通能力、創造力、思考能力以及社交能力。每個月，我也會與家長分享班級學習內容，讓大家了解孩子們在課堂上學習的主題、單字、自然發音、數學以及其他有趣的活動。

希望這些每月的學習分享能讓家長更加了解孩子在學校的學習旅程，也能在家中給予孩子適當的支持與陪伴。我期待能與家長們一起努力，讓 **Deer Class** 的每一位孩子都能度過一個快樂、充實、成功且值得回憶的一年。

Reading

閱讀課每天早上進行，每週會安排一本新的讀本。剛開始的讀本內容較為簡單，會使用許多容易理解的單字及重複句型，隨著學期進行，內容也會逐漸增加難度。每一本讀本中都會有一些孩子需要學習的重點單字，這些單字也會在其他課程中持續使用與練習。閱讀是學習新語言非常好的方式，因此非常鼓勵孩子利用課餘時間或在家中多閱讀。課堂上我們會進行團體共讀，也會安排一對一的個別閱讀，確保每位孩子都能理解故事內容及其中的單字。

這樣的活動可以培養孩子的自主性，也幫助他們建立對閱讀的興趣與喜愛。如果時間允許，我也會挑選孩子們帶回來的書籍，與全班一起閱讀，並透過提問故事內容來幫助孩子培養理解能力、聆聽能力，以及對故事的參與和興趣。
